Dombivli | Mobile: 841505642 | Email: yj870724@gmail.com

## Profile

Enthusiastic and dedicated Full-Stack Web Developer with a strong foundation in the MERN stack, specializing in building secure, responsive, and user-friendly web applications. Skilled in implementing authentication with JWT and route protection using Next.js middleware. Experienced in designing clean and modern UI/UX with Tailwind CSS and deploying projects on Vercel and Render. Passionate about continuous learning and excited to apply my skills to real-world development challenges.
